

Qatar General Electricity & Water Corporation "KAHRAMAA" Calls projects' owners entrepreneurs (from both public and private sectors) with intensive consumption of electricity (5 MW and above) and water (25 cubic meters per hour and above to contact Customer Service Department in order to receive and fill the Survey Form for electricity and water supply.

All necessary documents for the project (in particular the concerned governmental authorities permissions such as Municipality, Ministry of Energy and Industry, Ministry of Economy and Commerce, and others as the nature of the project) should be submitted with the Survey Form. These documents must be submitted regardless of any previous correspondence or approvals which may have been granted by "KAHRAMAA".

It is also necessary to provide proof of ability to complete new projects or extensions of existing projects which are planned to be completed during the next three years, according to the projects' execution periods mentioned in the Survey Form in order to be taken into account in plans for the development of KAHRAMAA networks and the production capacity of electricity and water. This includes presenting the evidences for acquisition of the necessary permits, and financial resources for the implementation of the project, and other requirements for completion of the project. It is to be noted that the project owner will be liable for the consequences of the project cancellation or delay or its exclusion from KAHRAMAA's plans if he does not provided the necessary information and documents through completing the mentioned Survey Form and returning it with the required attachments on or before

**Sunday 14 February 2010**

**No Survey Forms or documents will be accepted after the mentioned date.**
